A. Describe these areas as you see them. Do they feel appropriate to you? How well do they convey a sense of worship or spirituality?

B. What is most memorable about each space? What signs, cues, or symbols tell you that this is a church or a spiritual environment?

C. Imagine the best worship environment(s) for Saint Andrew's. What would they look like? How would large groups worship in this ideal space or spaces? How would small groups or individuals worship?

D. Could you suggest potential improvements to the existing spaces to make them better suited for worship? Are there any places that you would suggest making changes or building new? How effective are the current outdoor spaces for worship or meditation? What might be an improvement or alternate that would be more appropriate?

E. Do you have additional comments related to Worship spaces?
